

## GROWTH - EUR

Investment plans Liechtenstein, Plan No. 137  
Monthly Report, 01.04.2024

### Investment Goal

A growth-oriented investment policy is pursued by having the Euro as reference currency. In view of the possibility of considerable periodic value fluctuations, the investment plan is particularly suitable for longer investment horizons. Thanks to fixed deposit positions and the spreading of investments across a variety of countries risk can be limited.
